

Burley Heritage

The Open Meeting on July 2nd discussed what should follow the Burley Living History Project and how the artefacts collected and equipment should be safeguarded for the future. It was agreed that a Joint Working Group would be formed from Parish Councillors and a number of volunteers. The remit for the Working Group is as follows;

To recommend what needs to be done to secure the Burley Heritage, both in the short term and long term. Specifically to consider and recommend:

- The next steps, e.g. further exhibitions, formation of a Charitable Trust
- To consider whether a Heritage Centre is desirable and if so what has to be done to make it a viable solution for the longer term
- To consider what sources of finance may be available to Burley Heritage.

Members of the Group are Philip Buckley, John Carter, Irene Dixon, Philip Mackworth-Praed and Cllr Jane Kendall. If anyone else would like to join the Group please inform the Clerk on 07503 203399. A meeting of the Working Group will be called for 14th September at 7.30pm in Myrtle Hall.
