CLLR JANE KENDALL Cllr Kendall is an active and well-known figure around the village, to whom many of you will have spoken to about local issues. Jane is remaining a Councillor but taking Leave of Absence so we kindly ask that should you have any queries for BPC please contact either the Clerk on 07503 203399 or any one of the other 5 Councillors – phone numbers can be found on the BPC noticeboards and website: [www.burleyparishcouncil.gov.uk](http://www.burleyparishcouncil.gov.uk) Thank you for your consideration; we will let you know when Jane returns to full duties.

NOISE COMPLAINTS Following recent noise complaints received by BPC, we have received advice from NFDC that any noise related issues should be formally reported to the NFDC environmental protection team with a diary log of the noise events. Thank you for your help in reporting these matters: a more favourable outcome is generally achieved when many voices are heard.

SUPERFAST BROADBAND We are pleased to say that the new SFBB cabinet has now been installed at Lester Square; we are now awaiting its activation – hopefully you will notice a difference to your broadband speed soon!

LENGTHSMAN As you may have already noticed, two smart new oak benches have been installed at Burley Street by our Lengthsman. We would like to thank Cllr Mans (HCC) for the grant he donated to BPC towards the cost of these. If you spot any jobs around the village that need tackling by the Lengthsman please let us know.
