POUND LANE REPLACEMENT TREE PLANTING You may have noticed that work has begun on planting tree saplings in Pound Lane. At the time of writing 3 saplings have been planted with a framework in place around each one. These are constructed in accordance with guidelines from DEFRA to protect the saplings from ponies, cows, deer and pigs.

LENGTHSMAN The Lengthsman has been very busy repairing pinch points in Burley Street and Pound Lane that were hit by cars several times in the last month; he has also been doing a lot of litter picking around the village. Please let us know if there are any jobs that you notice around the village that can be tackled by our Lengthsman (email: clerk@burleyparishcouncil.gov.uk)

SCHOOL MATTERS BPC has arranged a grant of £500 from Cllr Mans (HCC) to the Village School towards their renewal of their play area. The School Governors were also asked to remind parents not to block the track opposite the school; this is an inconvenience to householders and needs to be free to allow emergency vehicle access.

VILLAGE BURGLARIES As we move into our winter months, we have been experiencing several break-ins in our village. The thieves seem to be looking for easy pickings and have been targeting outbuildings, stables, garages, garden sheds etc. with some high value items being stolen. The local Police are aware of the issue, but we would ask that you are all particularly vigilant, please keep your out-buildings secure and report any suspicious activity.

NEXT MONTHLY MEETING The next monthly meeting will be Wednesday, 9th

January 2019 at 6.30pm in Myrtle Hall.

The Parish Council trusts you had a Merry Christmas and would like to wish you a Happy and Healthy 2019.
